DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-8 and 11 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

- Claim 1 recites the limitation "the inner container (4)" in second to last line.
There is insufficient antecedent basis for this limitation in the claim.
- Claim 1 discloses the inner and outer sleeves as reference numeral (4) and the inner container as reference numeral (4). This is still not clear.
- Claims 2-8 and 11 depend from claim 1.

Response to Amendment

3. The indicated allowability of claims 1-8 and 11 in the previous office action is withdrawn.

Allowable Subject Matter

4. Claims 1-8 and 11 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Response to Arguments

5. The rejection and objection of claims 1-8 and 11 have been withdrawn as a result of the applicant's amendment. However, upon further consideration, a new ground(s) of rejection is made in view of an overlooked portion of claim 1 now rejected under 35 U.S.C. 112, second paragraph.

Conclusion

6. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
